Dear Ma

I received your letter yesterday, Sunday, May 30. It was good to hear from you too. How is everything there, these days? At the same thing day after day for me. I have somebody that took my place in the power shed, so I let the other 2 do all the work. I just lay around in the tent all day now.

That is a good picture of you and your niece. Thank a lot for both pictures. I still haven't any good picture of myself as soon as I can get hold of some I will send them to you. Ok.

II

When I get hold of some more Korean money I will send you some more.

No, it won't be much longer before I start for home. I hope to leave some time in June. I hope I will be home for the 4 of July, but I don't know if I will make it or not.

It had for me to write a letter this day's.

I suppose school is out for this year, just in time for you, what ever you do don't quit school. I quit school and now I am sorry that I did.

Well honey how do you like the job you have?

III

You said, to get somebody
to write to your girl friend. Also
if you send her address I will
give it to somebody, (and not
myself).

I see that you had a good
time at the formal that nice.

Well I can't think of much
more to say so I will close till I hear
from you again.

Love

??

P.S. Thank a lot for those pictures, they
were both good. As soon as I get
some of myself I will send them
to you.
